#### **BARWINNERS MULTI-STATE (“MBE”) WORKBOOK MATERIALS:**

Powerful, efficient, the BARWINNERS MBE WORKBOOK includes over 2,000 practice questions with full explanations, 18 hours of simulated exams, and pages of substantive review materials.

BARWINNERS’ MBE WORKBOOK and 4-Day Workshop is designed to fully prepare you to take and PASS the Multistate Bar Exam (“MBE”). This is an entire MBE system for taking and scoring high on the MBE.

Each section of BARWINNERS’ MBE Workbook, gives you questions and explanations building up to the “Diagnostics” section. Our system is a more rational, logical study system for mastering the multistate bar exam material. Unlike some traditional methods, our Workbook builds your knowledge and confidence in practical and reasonable steps. Key terms and concepts are defined and explained.

It's the ultimate in training for your MBE.

OUR MULTI-STATE WORKBOOK has practice questions, diagnostics, and tutorials covering all of the (6) MBE tested subjects; Constitutional Law, Contracts and Sales, Criminal Law and Procedure, Evidence, Real Property, and Torts.
