Each Performance Test has a File, Library, and Suggested Answer.

THE PERFORMANCE WORKBOOK COVERS:

The Performance Workbook contains Performance Tests as well as Simulated Performance exams focusing on the most frequently tested types of Performance tasks. Whether it is a Memo, Points and Authorities, Client Letter, Discovery Plan, Opening Statement, Ethical Consideration or other Performance task you are shown how to format, organize, plan your time and write and analyze it. You are given templates for the formats, headings, and structure for the most heavily tested types of performance tasks on the bar exam. We select former Bar Exam Performance Exams to use as teaching tools as well as the Suggested Answers to provide you with the STRUCTURE AND ORGANIZATION that the Bar Examiners' are looking for.
